IQAC MEETING 3

2017-18

Place: IQAC Office

Date: 26 March 2018

1. The IQAC members opined that the student tracking of the pass out student is imperative to ascertain the vertical academic movements. One of the members expressed his view over the need to track those students who have dropped out after graduation due to financial problems.
2. Need was felt to bring more and more students to the college and involve them in the cultural and sports activities on the campus.
3. The members suggested providing playground to the school students of this city so that those denied of playground must get some organised training in this campus. Such suggestions were welcomed and accepted unanimously.
